The juniors gave a whirl at the Winter Carnival this year but alas, they came in 4th place. Maybe next time Juniors! Bonnie Carleton won Queen for '74 and Gilda Caceres was in the court. In the candy sale they came in 2nd place with the help of Bob Tanner selling 237 boxes. Their 3rd annual square dance was again a very successful dance.

Once again the sophomores took first place in the Winter Carnival this year. The class worked hard to try to beat the Freshmen and succeeded. Pat Shostak was in the Queen's Court this year for '74. The Sophomore dance was a very successful dance, and they all had fun working together. Unfortunately for the rest of the school they seem to have a green thumb for doing things right; but the thumb turned red for they came in 5th place in the candy sale.

Both the ninth grade dances, the Hop and Square Dance, went very well. The candy sale was a success with a large total added to the treasury. Eddie Loso, Jeff Leonard, and Lori Pehm were among the top five candy salesmen. The Winter Carnival day was a disaster with the "niners" coming in last. Belinda Normandy made the Queen's Court.

The eighth grade class had a very good year. They came in fourth in the candy sale, making their class treasury \$48 richer. In the Winter Carnival they placed second, fighting a tough battle against the seventh grade. In October they made trips to Central Vermont to discuss energy and electricity.

"The Wizard of Oz"

The Drama Club held their first play this year entitled "The Wizard of Oz." The two performances, held December 20 and 22, 1973, were a big success. Besides providing good entertainment for the townspeople, the play was a new and challenging experience, full of fun and enjoyment for the cast and crew. Even the director, Ms. Burke, had a good time getting it all together.

Winter Carnival

The 1974 Winter Carnival will probably be remembered for a long time. It was full of good and bad times, but on the most part kids realized that it may be the best

part of the school year and no one wants to lose it. The sophomores pulled in the win followed by the eighth grade.

They were as follows: Queen, Bonnie Carleton; Court, Laurie Austin, Gilda Caceres, Pat Shostak, and Belinda Normandy.

Time, as I've known it, doesn't take much time
to pass by me.
Minutes into days turn into months turn into years
They hurry by me . . .

Still I love to see the sun go down,
and the world go around . . .
